

MEMORANDUM

TO: All Priests and Deacons
FROM: Very Rev. Steven P. Hurley, Chancellor
DATE: August 19, 2011

SUBJ: Roman Missal Catechists Guide

The Bishop's Implementation Team for the revised Roman Missal is recommending that all teachers and catechists in the Diocese of Wilmington utilize the Roman Missal Catechist's Guide for Children and Adolescents which was developed by the Office of Catechesis in the Diocese of Lansing. A PDF version of this guide is attached to this email. This guide is one of the best resources that the Implementation Team has reviewed. The Diocese of Wilmington has permission to use this guide as long as we adhere to the copyrights.

This information has been given to the Diocesan Office for Catholic Schools and the Office for Religious Education. It is also being communicated to teachers and catechists who are attending workshops sponsored by these Offices. Please make sure that your DRE, teachers and catechists are aware of this resource.

Along with the USCCB, the Diocese of Lansing's website has some excellent resources including downloadable bulletin inserts. You might want to take a look at <http://www.dioceseoflansing.org/worship/Roman%20Missal/index.html>

More resources will be communicated to you soon.

Please note that in the attached PDF file there are some links to the USCCB's website which are broken. This is a result of the USCCB's website redesign. The information is still on their site but you will have to search for its new location.
